Halmstad, Sweden

Representation Office Sweden

We run and manage your Swedish subsidiary. For a flat monthly fee, we represent you in Sweden according to your requirements with legal address, phone number, Board of Directors, accounting, invoicing, payroll, legal representation, bank arrangements, sales force, and administration. Prices are to be confirmed pending your requirements to be confirmed after the scope of assignments has been defined and agreed upon.

Set-up a Swedish business

Most customers require a Swedish Limited Company (Aktiebolag). We take care of everything in the process to register your company subsidiary

In addition we support in setting up Bank accounts, registering or recruiting Board of Directors, set up accounting, invoicing and supplier payments.

We manage financing as well as year end closure and auditing.

Dedication: People - Resources

We offer cost-efficient shared resources, with a team of highly skilled and experienced professionals, at hourly or flat rates

Part-time, Interim, Export Management support, sales & marketing, inbound-outbound, design, social media.

Accounting, invoicing, payroll, legal and auditors.

We assist in setting up required Co-working space, or shared offices in several cities.

- We facilitate International Trade. Our Swedish Representation Office offers market entry into Sweden with High Impact – Low Risk. In partnerships, we offer regional resources all over the world for Low Risk, Low Cost market entry. Trans Atlantic, Asia, Europe.
- Adhering to high ethical standards we ensure customers success in fluid, complex situations.
- Your business is unique, with its own set of challenges: We assemble a dedicated and experienced team to address your specific needs and goals.
